

COURT NEWS

Paris police believe that Will Gatewood, 24, negro, of Paris and Lexington, who was placed under arrest here on a charge of house-breaking may be the mysterious burglar who has been operating recently in Lexington and Paris. Goods alleged to have been stolen from Lexington are alleged to have been found in possession of the suspect. As he was taken to jail he attempted to throw away a bunch of skeleton keys, the officers say.

Chief of Police Link says this is the fifth time he has arrested Gatewood on the charge for which he has been convicted every time. He is now charged with breaking into the meat store of Whaley & Watson, where hams valued at \$20 or more were stolen, and of breaking into the garage of Clay Sutherland, where a wheel and several tires were stolen.

WOODROW WILSON'S BIRTHDAY

December 28 will be observed throughout the United States as Woodrow Wilson day by friends of Mr. Wilson and contributors to the Wilson Foundation. Mr. Wilson will be 66 years old that day.

Public meetings, dinners and luncheons have been planned in every State in the Union by State and local committees of the Foundation.

Up until election this year the Foundation had raised about \$700,000 toward its million dollar endowment. The day after the election work was started to obtain the final \$300,000. One hundred thousand dollars of that sum has been contributed. The Foundation hopes to raise the balance this year.

The foundation will complete its incorporation this year and the permanent board of trustees will take charge soon after the first of the year.

FIRE DAMAGES MT. STERLING CHURCH

Fire, thought to have been caused from an overheated furnace caused approximately \$11,000 damage to the Baptist church, at Mt. Sterling, Wednesday afternoon.

For a while it seemed as if the entire church would be destroyed, but the hard work on the part of the firemen soon put the flames under control.

The church, recently constructed at a cost of \$75,000, is considerably damaged by smoke and water and the pipe organ, which is one of the handsomest in the State, also is considerably damaged.

Children were rehearsing for a Christmas entertainment at the time the fire was first discovered, but were safely brought out.

Rev. Olus Hamilton, pastor of the church, was in Lexington at the time of the fire.

PRESBYTERIANS RAISE \$1,126,431 FOR SCHOOLS

Presbyterians of Kentucky over-subscribed by \$126,431.05, a campaign to raise \$1,000,000 for educational institutions, it was found when the totals were completed at the close of the drive Tuesday noon at the Theological Seminary, in Louisville. In addition to the \$1,126,431.05 subscribed by Kentuckians the general education board of New York is to forward \$200,000 to Centre College, the Rev. R. T. Gillispie, chairman, said.

Institutions benefitting from the campaign include the following Presbyterian institutions: Orphanage at Anchorage, Ky., College for Women, Mountain Mission Schools, Centre College and the Theological Seminary. Presbyterian churches throughout the State took part in a general canvas. A continuation committee has been appointed to conserve interest in the work of Christian education in the State.
